### Work Continues on Future Library Site

Jeff Mitchell, Triad Engineering, John Billmyer, Snyder Environmental Services, Mike Taurino, Environmental Protection Agency, and Spencer Carraher, Arcland Property Company (pictured right) met at the future library site in June to discuss progress of the cleanup. Mr. Taurino, visiting from the Philadelphia office of the EPA, stated that he is very pleased with our remediation efforts, to date. John Billmyer reports that actual waste and contaminated soil tonnage may be less than originally estimated, resulting in a possible reduction in the total project cost. We anticipate site cleanup will be completed by early fall.

**Lilly Bauer has been named new Children's Librarian.** Lilly acquired her BA from Shepherd University and recently received her Master's in Library Science from Clarion University of Pennsylvania. Prior to joining us in June, she was a regular volunteer in our Children's Department while serving as archive assistant at the Byrd Center for Legislative Studies. Lilly has resided in Shepherdstown for over 19 years and has two children, ages 9 and 13, both avid readers and frequent users of our library!

**Elizabeth (Libby) Sturm has been re-elected to a second five-year term as SPL's Board President.** Libby's nomination was confirmed by the library Board and Town Council in June. Congratulations, Libby, and thank you!

### First Library Card

Noelle Nicodemus shows off her very first library card while mom, Shanna, captures the momentous moment with little sister Lily looking on. First book? *We All Sing with the Same Voice*. Good choice, Noelle!
