March 25, 2015

Library Board Meeting at 7 pm at SPL.

In January, Shepherdstown Public Library requested the Town Council to **adopt a Resolution in support of the new library project**. Specifically, we requested the Town to:

- fully support the efforts of the Shepherdstown Library Board of Directors to finance, construct and equip a new library facility at the site donated by the Town of Shepherdstown;
- encourage the Shepherdstown Library Board of Directors in their efforts to complete the new library as soon as possible; and
- commend the project to the citizens of this area for their financial support.

At its meeting on Tuesday, February 10, Director Hali Taylor made a presentation to the Town Council and those in attendance at the meeting, and our official resolution was presented to the Council for its approval. We are pleased to report that the Town Council **unanimously passed** our [Resolution](#), as written.

We wish to extend a special thank you to the Town Council for its support of the new library project!
